

## INSTRUCTIONS

### 3 Easy Steps:

For best results use every time you wash your hair. Use in place of your shampoo and conditioner.

#### Step 1 Revive : Detoxing Clarifier

**Revive replaces your shampoo.**

Apply to wet hair; massage, lather and rinse.

#### Step 2 Restore : Reconstructing Masque

**Restore replaces your conditioner.**

Apply to clean wet hair and leave in for 5 minutes, then rinse

#### Step 3 Re-Activate : Rejuvenating Elixir

**Restore is a leave-in treatment.**

Apply 1-2 drops to damp hair as a leave-in treatment.

## HOW IT WORKS

### PEPTIDE AMINO-VITAMIN COMPLEX

Our breakthrough formula is a combination of Peptide, Alpha-Hydroxy, Vitamins and Proteins. □The incredible technology that is used in anti-aging skin care is finally available for your hair.

Peptide helps increase your hair's thickness and volume. Alpha-Hydroxy promotes cell renewal □on the scalp, keeping hair follicles clean and open, allowing for thicker roots and healthier growth.

Vitamin B stimulates nutrients in the hair follicles and may help slow the graying process and stimulate hair growth. Vitamin E is rich in antioxidants that softens and strengthens the □hair fiber leaving it improved with fewer tangles.

Proteins help regulate and retain moisture, resulting in soft, manageable hair, even in extreme humidity.

### BENEFITS OF ANTI-AGING

- Fights hair loss and stimulates growth with our Peptide Amino-Vitamin Complex.
- Repairs and reinforces the hair shaft to prevent split ends.
- Battles graying with Vitamin B.
- Removes dulling residue to reveal your hair's natural shine.
- Moisturizes and deep conditions hair to reduce dryness and tangles.
- Increases thickness and volume while reducing frizz.
- Helps protect hair from daily thermal heat and the sun's UV rays.
